

## WILDLIFE

Mburo Safari Lodge is not fenced, this means all the wildlife is free to move around the lodge. Mburo Safari Lodge is often visited by Zebra's, Buffalos, Impalas and sometimes even by a Leopard. Mburo Safari Lodge has a resident Bushbuck and a resident troop of Vervet Monkeys.

## BIRDERS PARADISE

Mburo Safari Lodge is a fantastic place for birders. Lake Mburo National Park has more than 315 different species of birds including the rare Shoebill Stork, and African Finfoot.

## ACTIVITIES

Whatever the reason for your stay at Mburo Safari Lodge is, we can assure you that you will not be bored. Apart from Game viewing in Lake Mburo National Park we offer you a wide range of activities:

- Safaris and game drives in Lake Mburo National Park with our private 4WD safari vehicles
- Night safari (game drive) with high chances of seeing leopards
- Walking Safari to get close to the animals
- Boat trip on Lake Mburo. The boat is a very good platform to see and photograph birds, crocodiles and hippos
- Birding in Lake Mburo National Park
- Community walk to see the local people and long horned cows
- Relax and take a swim in our swimming pool
- Sport fishing
- Hiking in and around the park
- Horse riding
